

The Randalls

Managua, Nicaragua

¡Hola de Nicaragua!

Most Beautiful Day Ever!: Our sign language class from Masatepe went on a paseo, or field trip, to La Boquita. For many of them, it was their first visit to the ocean. We rented a bus to pick up the students and their families and spent the day together enjoying the beach. We had a very special Easter message and served a delicious lunch. The rest of the afternoon was spent at the tide pool. Some were afraid of the water, even though it was only knee deep, and stayed near the edge. Sometimes, new experiences like this take time to feel comfortable. The children and their families truly feel the love poured out upon them and they pour it right back!

Sewing at La Boquita!: Four young ladies from the community have begun their first sewing class. Currently, they are sewing pin cushions and bags to store their materials. These young ladies are also part of our English class and are eager to learn new things. We will soon be starting a young women's Bible study and fellowship. God is connecting hearts together and beautiful things are happening! **Please pray for hearts to receive all that God has for them!**

Elijah's Pantry is a great blessing to many! Recently, Burnard, who previously spent his summer vacation with us, came again for his spring break and helped deliver groceries and minister to people in great need. It is a gift to go into their homes, sit with them, listen to their story and pray with them. The needs are so great but God is able to do exceedingly abundantly beyond all that we ask or even imagine.

At La Boquita, we are making progress on the repairs even while the process for registering the property and documents for new construction are processing. **Thank you for keeping this in prayer.** Our vision for La Boquita is to be a lighthouse of hope and redemption to all those in the community and beyond.

School for the Deaf: Only one school exists in Nicaragua for deaf students to learn through sign language, Isaiah 29:18 Christian School. Several students are waiting to be sponsored in order to attend. Prayerfully consider sponsoring a student. For more information contact us at krandall.nica@gmail.com.

With much love and appreciation,
