Most Beautiful Day. Every day spent with the deaf community is the most beautiful day ever! An aura of God's presence and his delight fills the space. In our Masatepe Sign Language Class, students have been scrapbooking for the past several weeks. To witness the expression on the faces of the children, teens and the parent who accompanies them as they see themselves in photographs, is truly heartwarming. Kevin's sister, Michelle, came for a visit and brought donated scrapbook supplies, a treasured resource among the deaf community. Imagine the scene - silence, eyes filled with wonder, carefully cutting and arranging, decorating, admiring, no distractions except for the occasional dog or cat meandering through, time is forgotten. Some need assistance with tasks involving fine motor skills - a partnership between each pair, the student and a helper. As word gets passed in the community that 'Someone loves my child just as they are,' more and more families are showing up without any prior notice and coming back week after week! It's a common occurrence! We greatly value your prayers and support for the ministry to the deaf community! To see a list of existing needs, check out our website at www.laboquitnicaragua.com. Under the menu tab, click on 'recent updates.'

So many smiles from beginning to end!

"You yourselves are our letter, written on our hearts, known and read by everyone. You show that you are a letter from Christ, the result of our ministry, written not with ink but with the Spirit of the living God, not on tablets of stone but on tablets of human hearts." 2 Corinthians 3:2-3

Special Announcement!!! Our daughter Leah got married on July 1! It was a beautiful ceremony which we attended via Livestream. Kevin, Sarah, and Anna traveled to Seattle later in July to spend time with Leah and Andy. We are so happy to welcome Andy into our family! If you'd like to send them a card and/or a wedding gift, it would be a great blessing to us all!

Renovation at La Boquita is underway! Already several major projects have been completed. Currently, the kitchen is under renovation. Mark has been the landscaper, along with Samuel, and together they have constructed several terraces on the sloping anterior of the property. Much researching and planning was done prior to starting the landscaping, especially since erosion is a major factor. Keep us in prayer as we work towards completion and begin utilizing the facility in a way that brings glory to God!

Scrapbooking together!

Congratulations Leah and Andy!
