¡Hola de Nicaragua!

September 2024

Unexpected! I was on my way to sewing class when, all of a sudden, things changed. Gloria, one of the women in our sewing class near the city dump, sent a message letting me know she would be absent due to the death of her friend, who was hit by a vehicle as she was crossing the street the night before.

So, I dropped off the materials for class and got everyone started on the project, then went to the grocery store to buy food for the family. After picking up another woman from sewing class, we went to Gloria's house together.

The three of us walked a few blocks over, and in the distance, I could see a house overflowing with people and I knew immediately that they were there mourning the loss of someone they loved deeply. I met and hugged each one. We blessed them with groceries from Elijah's Pantry (our food bank ministry for the community), and we all joined hands in a circle and prayed together. Hanging over their heads was the great expense of a coffin.

Elijah's Pantry ministry helped this family in a time of crisis - not only with groceries and financial assistance, but with much love, compassion and walking alongside the family. Truly, the light of Christ shines in the darkness!

"Mourn with those who mourn." Romans 12:15

While in Gloria's home, I spotted a sewing machine!

When I asked her about it, she told me she had just gotten it a few months ago and has been sewing for her family and as a business in her community. I felt an enormous sense of gratitude that God allowed me to see this fruit that has come from our sewing class. It is one of my deep hopes that women could use their sewing skills to help their families and earn money.

Pray for those who attend our sewing classes, both the hearing and the deaf, that each one would have a hunger and thirst to know Christ and would be drawn near through His Word and transformed. Pray also for each one to be equipped with beneficial skills for life and opportunities to use them. Your prayers are greatly valued!

Ministry Vehicle Needed

We are in need of a passenger van to transport deaf and hearing students to various locations throughout the week.

Whether going to sign language classes, the supermarket, medical clinic, sewing classes, art and cooking classes, or to see and experience the beautiful world which God created, we cannot get there without sufficient transportation.

Our goal is \$46,000. Praise the Lord that \$4,763.50 has already been given! Woohoo!! We are 10% of the way there!

Would you prayerfully consider giving towards this need?
